

YATP Jr. 2023-2024 Course Information

Open enrollment skills workshops for **1st - 5th graders** with our tenured, experienced and acclaimed YATP Master Faculty and talented Interns & Jr. Interns from our full conservatory program.

“Start as you mean to finish.”

These workshops are intended to be foundational for students hoping to one day join the YATP full conservatory program and/or to work on their skills for future performing arts opportunities, building strength while laying a firm technical foundation required from professional child performers.

Learn skills properly from the start with our experienced and dedicated faculty, and avoid years of undoing poor habits later. Skills gained will help students shine whether at YATP, other auditions, or with self-confidence at school.
